Welcome to 5th Grade

Welcome! I so am excited and blessed to be your 5th grade teacher. This will be my first year at ACS as I am moving here from Lexington, SC. to be closer to my daughter's family. (My grandson attends 4K here at ACS.) It's going to be such a great year! We are going to learn together, grow our faith together, and have fun together!

A Little About Me

Personal:

I have 4 children. Brittany lives in Pelzer with her husband and 4 year old grandson. Tyler lives in Atlanta and is a photographer. Clarise and Kerin, twin 14 year olds, are my "adopted" children. We are excited to be moving to the area!

Professional:

I have a Bachelor's degree in Elementary Education from Newberry College and Masters in School Administration from Cambridge College. I received my National Board Certification in Early Childhood Education. I am retired from 28 years in public school education. I have taught for 13 years (grades 1,2,4) and served as an Assistant Principal for 15 years.
