Music and Art Teacher

ABOUT ME

Hello, ACS Family!

I am thrilled to be joining you for my third year here at ACS. The past two years have flown by and I have been so blessed to get to know many of you and have classes with your child/ren.

This year, I will continue to be teaching both music and art, and I am so thankful that God has blessed me with this chance to get to know both the students better, but also to showcase their talents! I have had a wonderful time working with your children as we explore the world of the arts. I look forward to continuing the journey this year!

As always, please feel free to contact me if you have any questions or suggestions and I look forward to a wonderful 2021-2022 year with your child/ren!

MORE ABOUT ME

I am married to the well-known and lovable Mr. Gore and we are beginning our fourth year here at ACS. We have two dogs, Petey and Bean, who are like our children and we love taking them on adventures.

I have both a BA and MA in Christian Education with a concentration in music and I am currently working to pursue an additional MA in Elementary Education.

I am classically trained on the violin from 10 years old all throughout my high school, college and graduate school years. In college, I played both the violin and viola with my school orchestras. I currently teach violin, viola, beginner cello, and ukulele lessons. Please let me know if you have any interest in signing your child up for lessons!

I also love to sing. This started with my church youth group and while I didn't love to sing solos, I sang with many small groups, as well as private formal lessons, small choirs and large choruses, theater productions, and a cappella groups. I currently sing with the Foothills Chorale in Clemson, SC and The Washington Chorus in DC.

Music and art hold such a special place in my heart. They allow me to express myself in a way that wouldn't be possible otherwise, as well as praise the Lord, connect with others and enjoy life more fully. I believe that God has given us these talents and interests to glorify Him, and I believe that we can help nurture and grow your child's creative expression through our classes here at ACS that will help them in all aspects of life.
