MRS. SPROWL

## WELCOME TO 3<sup>RD</sup> GRADE!

Welcome to the 2023-2024 school year! I'm looking forward to having your child as a student. Third Grade is such a fun year with so many new challenges and wonderful learning experiences to celebrate. In order to have a great year, my goal is to create a classroom environment where your child is a valued, trusted, and integral part of our family of learners. This will help each student to learn and perform at their best.

## ABOUT ME

Hello! I'm Mrs. Sprowl, and I'm 36 years old. I live in Anderson with my husband JD and our three children. Our son, Judah, is thirteen years old. Our daughter Jordan is 11 years old and Joy is 9 years old. On the weekend we can be found on the basketball court or the softball field. The kids keep us busy!

I attended Anderson University and received my Bachelors of Science in Elementary Education. This is my second year teaching at ACS.

## CONTACT ME

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
