All About Me

I attended Clemson University for a degree in education and Anderson University for a master's degree. This marks my 4th year teaching K5 at ACS.

My children, Emma and Harper, also attend school here. As a family, we love spending time outdoors, hiking, exploring, and swimming. I am looking forward to having a wonderful year with your child.

My Favorites

Subject: History

Food: Sushi or Mexican

Drink: Flavored Water

Hobby: Family Adventures

Place: Beach
