WELCOME TO 4TH GRADE

About Me

I am so excited to be your 4th grade teacher. This will be my second year at ACS. I'm a graduate of California State University with a degree in Liberal Studies/ Education. This will be my 19th year of teaching. Prior to ACS, I taught at a public school in California, a Christian School in Illinois, and a private school in Yokohama, Japan. My husband, Jeff, is a minister of music. We love singing, music, nature and road trips to our favorite NASCAR tracks. I'm looking forward to getting to know you. It's going to be such a great year!
