## About Me

Welcome to 1st grade! I am so excited to begin my 6th year at ACS. I have a Bachelor's in Bible/Religion and Music, Master's in Christian Education, and Master's in Teaching - Elementary Education. I love playing the violin, ukulele, singing, hiking, playing with my 2 dogs - Bean and Sundae - and watching Nationals baseball games with Mr. Gore! I can't wait to get to know you all and have a fun year together!

## Fun Facts

I was born in South Korea and moved to the United States when I was only a baby. I lived in Washington, DC before moving to Anderson.
